SUMMARY OF FINDINGS AND RECOMMENDATIONS

January 19, 1962

Board of Selectmen
Sandwich, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Sandwich for the fiscal year ended December 31, 1961, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Road Agent, Trustees of Trust Funds, Volunteer Fire Department, Wentworth Library, Cemetery Trustees, Old Home Week Association, Sandwich Veteran's Association and Sandwich Community Association.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1960 - December 31, 1961: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1960 and December 31, 1961, are as presented in Exhibit A-1. As indicated therein, the financial condition of the Town changed from a Net Debt of $5,539.09 to a Surplus of $1,526.44, in 1961.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt	(Increase in Surplus)	
Net Budget Surplus	$ 487.04	
Long Term Notes Paid	7,600.00	
Increase in Accounts Receivable	17.50	
Decrease in Reserve a/c Future Yield Tax Loss	1,459.26	
Tax Collector's Excess Credit	2.00	
		$9,565.80

Increase in Net Debt (Decrease in Surplus)		
Excess Payment - Yield Tax	$ .27	
Cash Surplus Used to Reduce Tax Rate	2,500.00	
		2,500.27
Change in Financial Condition		$7,065.53

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1961, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of $444.84, plus a revenue surplus of $42.20, resulted in a net budget surplus of $487.04.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1961, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1961, is exhibited in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities), decreased from $19,892.91 to $19,358.44, in 1961, as shown herewith:

	December 31, 1960	December 31, 1961
Total Assets	$58,811.69	$61,022.36
Current Liabilities	38,918.78	41,663.92
Current Surplus	$19,892.91	$19,358.44

Surety Bond of Town Clerk:

The surety bond of the Town Clerk should be increased from $1,000.00 to $2,000.00, in order that the amount of the bond may be commensurate with the amount of funds received by the Clerk.

Conclusion:

In accordance with the provisions of Chapter 184, of the Laws of 1955, this report or the summary of findings and recommendations (letter of transmittal) should be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Sandwich for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

O. Maurice Oleson, Auditor
Dumont W. Bailey, Accountant

Attention is called to gifts of money for books or special needs of the Library which are greatly appreciated.

The Library at the Central School has been most successful this last term. An average of a hundred books taken out by the students each week, many of them related to subjects under study in several rooms. Both School and Town Library benefit from the work of a volunteer group headed by Mrs. Nancy Metcalf, which takes full responsibility for getting books to the school and for checking them out and in for the pupils.

Forest Fire Warden's Report

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook—yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children may cause fires. Ninty-eight percent of our forest fires result from human carelessness—our carelessness. This, we—you and I can do somthing about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations—hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinquishing are ours. We can do something about this problem, by being aware and alert to the danger and by cooperating with your warden.

Do the things that are required of you:

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinquish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

Confidential reports of the various police activities are submitted to the Selectmen each month.

The school patrol under the supervision of the Central School officials was in operation under the sponsorship of the Sandwich American Legion Post.

The town received a Certificate of Merit from the New Hampshire Commissioner of Motor Vehicles.

We, of the Sandwich Police Department wish to take this opportunity to thank all other law enforcement agencies; especially the New Hampshire State Police for assistance given us in performance of our duties.

We would appreciate it very much if the people of the Town of Sandwich would be more prompt in reporting law violations. Accidents, breaks, larceny, etc. should be reported immediately regardless of the time of day or night. Too often, reports come in too late to take much or any action on them. Give us the opportunity and we can serve you much better.

Respectfully,
BERNARD E. SWAN
Sandwich Police Department.

Roads and Bridges

Further study and examination of the roads and bridges has been made and a long range plan for their maintenance and improvement is being prepared for submission to the Selectmen.

Land Use

Sandwich comprises 58,422 acres. Probably 90% of it is wooded, or 52,579 acres. Our foresters have given us information about land under management, which is summarized as follows:

High intensity management	6,265 acres	12%
Medium intensity management	25,132 acres	48%
Low intensity management	392 acres	1%
Total under management	31,789 acres	61%
Not under management	20,800 acres	39%
	52,589 acres	100%

It appears that 27,517 of our estimated 52,589 acres of wooded land are owned by 14 persons and companies to whom the productivity of their land is a primary consideration. This is 52% of our wooded land. Their holdings vary from 50 acres to that of the White Mountain National Forest, which is 11,957 acres. All of this acreage is under management.

The remaining 48% comprises 25,072 acres owned by a great many individuals or estates, to whom the productivity of their land is probably not a primary financial consideration.

But we know that 34 of them, owning from 11 to 500 acres (average 127 acres) own 4,272 acres that are under management. They own 8% of the total estimated wooded acreage.

The wooded land that, so far as we know, is not under management comprises 20,800 acres and is 39% of the wooded land.

The Board is trying to find out whether we are cutting more or less than the probable annual growth of our timber, and what the potential annual growth would be if our timber lands were all well managed. An effort will be made to determine what increase might be expected in annual income, in employment of men and equipment, and in increased quality and value of our forest products.

To the above end, estimates of the potentials have been made which are being subjected to critical study by the Selectmen and Planning Board, our foresters, our County Forester, and others.

Aerial Photographs

The Planning Board has procured a full set of the aerial photographs of the town from the U. S. Department of Agriculture. Mr. Harry H. Spencer volunteered to do the difficult and time consuming work of fitting together the center portions of these photographs into a "mosaic", under the supervision of Francis G. Hambrook, Consulting Forester of Sandwich, and Arthur G. Dodge, Jr. of Conway, our County Forester.

This work is in progress and it will result in a complete, one piece aerial photograph of Sandwich, approximately 8 feet square. On this, or on tracings taken from it, the areas under management can be plotted, and optical study made for various purposes, including the correction of our estimate that 90% of Sandwich is wooded. The range lines can be set down on it. Tracings can be made for assisting in assessing, for the Fire Department, and for setting down of lot lines known to surveyors, foresters, and others, etc.

Industry

The Board's committee on Industry is investigating the requirements of companies for establishing manufacturing plants in any community as to potential employees, water, sewage disposal, schools and other facilities and services.

It is also checking up on how and where Sandwich people earn their living and what their employment problems are.

The Planning Board and its committees include over 30 persons who are studying the problems of the town. ANY suggestions are welcome.

Report of School Nurse

Vision and Hearing tests have been completed. All children found to have defects were retested, then if the defect was still present, a notice was sent home to the parents suggesting further examination by a doctor.

Local funds have been very helpful in assisting some families in obtaining glasses for their children who would otherwise have to go without.

Communicable diseases reported to the school nurse during the year were ringworm, chicken pox, scarlet fever and many cases of mumps.

Frequent inspections throughout the year were made of each child. The heights and weights were checked then recorded to the individual's health record in May and October.

95 children had physical examinations by Dr. Lawrence Rockwood, school physician, at the Central School and 52 at the Quimby School. Recommendations were made to correct defects found and notices sent to the parents.

In April, the eighth grade girls visited Laconia Hospital and the Nurses' Residence. This trip was made to show the girls interested in a nursing career, the daily routine of a student nurse and hospital life. This also was to help them in choosing the necessary courses when they were preparing to enter High School.

On May 1, 1961, a Pre-School Registration Day was held with 8 children attending. This day gives the child who will enter school in September and parent a good opportunity to acquaint themselves with the local school activities. The school nurse checked heights, weights, vision and recorded information necessary to start the Health Records. Mrs. Madeline Given, Dental Hygienist, from the State Dept. of Dental Health was present to talk about the care of teeth. Each child was given a toothbrush.

Orthopedic Clinics at North Conway and Wolfeboro were attended by a few Sandwich students.

The routine first aid, social and welfare work was attended to whenever needed.

Free vitamin pills were given all elementary school children requesting them during the winter months. The funds for these vitamins were supplied by the Red Cross.

We still have a Future Nurse's Club at Quimby School although it has a small membership and is not too active this year.

The nurse made 49 school visits to Sandwich Central and 40 to Quimby School. 87 Home Visits were made in the Sandwich area.

Respectfully submitted,

Report of Superintendent of Schools

To the School Board and Citizens of the Sandwich School District:

I respectfully submit my seventh annual report as your Superintendent of Schools.

Staff

With the same staff intact for another year it was very easy for them to continue the same routine and carry on many of the fine practices that were put in operation last year.

Knowing the pupils is a great advantage, especially when it comes to guidance. Teachers that have had the experience of the previous year in a school are able to make many more contributions to the whole educational program.

The staff is to be complimented for their untiring efforts of keeping up with new ideas in education by their attendance at workshops, conferences, and participation in extension courses during the school year.

Building Maintenance and Equipment

The following repairs and replacements were completed this past year: The fire brick in the heating plant, and drapes in the teachers room were replaced. Plans are being made to replace the large shades in two of the classrooms. Work counters were installed at the rear of the classrooms. A microscope, barometer, hydrometer and in-outside thermometers were purchased under the National Defense Education Act.

School Lunch Program

The program is operating very successfully under the direction of Mrs. Maevina Blumberg as supervisor, and Mrs. Ramona Burrows as assistant.

More stress is placed each year on the educational role that the lunch program plays in the over-all educational development of the child. As we know, good nutrition is the most important contributing factor to good health, and a child must be healthy to be successful in his school work. A nutritious lunch, at a reasonable price, and eaten in a friendly atmosphere is a very worth-while experience for a youngster.

General Information

The following legislation relating to education was passed at the 1961 session of the Legislature:

1. An Act providing for the appointment of an Interim Commission on Education to study the organization of school districts and the higher education facilities in the state. Said committee is to report at the next session.

2. An Act relative to the operating expenses of Education Television Channel 11. The sum of $25,000 was appropriated for each year of the biennium and additional sum not exceeding $15,000 for the fiscal year ending June 30, 1962 and a like sum for the fiscal year 1963, provided there is raised and appropriated by school districts in the state sums for the operating expenses of said educational television channel on an equal matching basis. Each school district is assessed 25 cents per pupil.

3. An Act relative to education for Intellectually Retarded Children. Intellectually Retarded Children are children not capable of profiting from general education program of public schools. School districts may establish special classes or pay tuition to approved classes. State will pay a portion of the cost on basis of one-half state average cost per pupil for elementary schools.

4. An Act relative to liability for education of children in foster homes provides that children placed and cared for in any home for children shall be entitled to attend the public schools in the district in which the home is located.

Conclusion

Good schools are the result of a devoted and energetic staff of teachers, nurse, lunch operators, custodians, and school bus operators.

We are indeed very fortunate in having a team that works so well in handling the many problems that arise throughout the year.

At this time I wish to take the opportunity to express my appreciation to the various organizations in the community, especially the P. T. A., Fire, Police, and Highway Departments for the continued help and cooperation.

I also wish to thank the members of the School Board for their assistance and sincere devotion to their responsibilities to the parents, children, citizens and school personnel.

Respectfully submitted,

Martin E. Heffernan

Report of Principal

Opening Day, September 6, 1961, found many eager youngsters awaiting the "first bell" to announce the beginning of another new school year. The total enrollment of 97 pupils represents 58 families of our townspeople.

Sandwich Central School was saddened by the untimely death of Mrs. Louise Olivier last July. She was an inspiration and friend to everyone in our school.

The regular teaching staff remained the same as last year. Mrs. Janet Johnston replaced Mrs. Olivier as special teacher. She worked with the pupils from grades 1-4 every morning for 2½ hours. This special work was with small groups of children who needed extra help in reading. For family reasons, Mrs. Johnston resigned early in December. We were indeed fortunate to have Mrs. Martha Kurth complete this special work for the remainder of the first semester of the school year.

Mr. Joseph Davock was engaged for the last half of the year and departmental program in Grades 7-8 and 5-6 was put in operation, and handled the Special Help and remedial Program in the lower grades.

A Christmas program was presented to the public in December. The children enjoyed the opportunity to sing and act for so many interested parents and friends.

Dr. Lawrence Rockwood, school physician, gave the children their annual physical examinations in the fall. Notices were sent home for any child who needed any further medical attention.

Mrs. Amy E. Brown, R. N., school nurse, visited the school every Monday. She has given eye tests, weighed and measured the children, tested their hearing, and administered first aid whenever necessary. She has also had conferences with the teachers discussing pertinent health problems in the school. Mrs. Brown delivered the vitamin pills furnished by the Sandwich Red Cross. The children really enjoy these vitamins!

The School Library has been very successful this year. Volunteer parent-librarians were in complete charge of the running of the library. They obtained books from the Wentworth and State libraries. They transported the books whenever necessary. They supervised the library hours from 1:00 - 3:00 p. m. every Tuesday. The following parents were indeed most faithful to their volunteer duties: Mrs. Nancy Metcalf, who made sure there would be two librarians each Tuesday; Mrs. Joan Wright, Mrs. Marjorie Burrows, Mrs. Jean

Brown, and Mrs. Frances Mauch. The school is most appreciative of this added service to our school program. A circulation of over 100 books each week shows that the children are really enjoying reading.

A microscope, set of encyclopedia, and minor equipment for improving instruction was purchased. Each year, as the budget permits, additions are acquired for the improvement of our school on a fairly steady basis.

The question of Civil Defense was given much thought this fall. An assessment was made of the school facilities. A system for evacuation was worked out. One trial evacuation was carried out last December 12th. All school bus and volunteer drivers took part in this practice evacuation. A great deal of time was saved in getting all of the children home. We feel that our emergency plan was a success because everyone cooperated so well with the school.

The Safety Patrol members for this year were: Captain Geoffrey Burrows, Lieutenant Carol Nelson, Patrolmen: Joan Merriman, Jan Rollins, Anne Metcalf, Margaret Flanagan, Dana Burrows, Darlene Daigneau, Raymond Mauch, and Elwin Cochran. These children have a vital part in the school's safety program. They have special stations assigned to them in our Civil Defense plan. These children perform their duties with pride and are respected by the pupils of the school.

We feel that progress is being made each year in the Sandwich Central School and hope that parents and friends will feel free to visit our school and see it in operation. Progress requires team effort. With the team of the School Board, Superintendent Heffernan, the teachers, doctor and nurse, cooks, custodian, and volunteer helpers, along with the cooperation of parents and friends all working together, we will achieve the common goal of a better education for all of the children of Sandwich.

Respectfully submitted,

Elizabeth N. Plummer, Principal

Quimby School
